STUDENTS AND RESIDENTS SEW LOVE AROUND THE WORLD

(MERIDIAN, Idaho) — Meadow Lake Village residents and Centennial High School Key Club members volunteered for Rag Dolls 2 Love, an organization that ships dolls around the world to children facing traumatic circumstances. The dolls have no clothes or hair — only smiles and hearts to communicate love and security.

“It was fun to be part of such a worthy cause,” says Key Club member Collin Veestra. “There was a job for everyone, even if they did not know how to sew.”

Resident Jeanette Burford read an article about the organization last fall. She was enthralled with the project and started making the dolls. Burford shared the dolls with other residents and subsequently inspired the collaborative effort between Centennial High School and Meadow Lake Village.

“The key club gals helped cut out 53 dolls,” says Burford. “We are well on our way to reaching my goal of donating 100 dolls.”

The 135-acre Meadow Lake Village is a retirement resort for people 55 and older offering single and attached homes, 35 acres of retail and commercial services, a nine-hole-Par 3 golf course, large lake, miles of walking paths and a robust Life Enrichment and Wellness program.
