### **Plantenga joins Touchmark**

MERIDIAN, Idaho – Megan O’Halloran Plantenga has joined Touchmark as a retirement counselor. In this role, she will work with individuals and families interested in living at Touchmark.

Most recently, Plantenga worked at Valley View Retirement Community in Boise, holding a variety of positions over the past several years, including campus manager, associate general manager, sales director and medical records/business office assistant. Prior to that, she served as a customer service representative for Key Bank of Idaho and sales associate for Luminaire, Inc. in Chicago. She also spent a year in Romania assisting in a foster care outreach program.

Plantenga studied International Business at Boise State University. She also attended the French/Basque Studies Program through the University of Pau, France. She is a licensed residential care director.

At more than 100 acres, Touchmark at Meadow Lake Village is a lifestyle-driven community catering to people over the age of 55. A range of homes and lifestyles is available, including single-family and duplex homes as well as apartments and condominium-style homes. The site also includes retail and commercial services, a nine-hole, par three irons golf course, lake and walking paths.
