

Daphne King

Administrator
Touchmark Home Health & Home Care

Daphne King started her health care career in 1991 as the director of Medical Records at Treasure Valley Subacute and Rehabilitation Center in Boise. Touchmark owned the rehabilitation center until 1998, at which time Daphne was asked to be the administrator for Touchmark's home health program, which began providing home health services in 1998.

Daphne graduated from Boise State University in 1988 with an Associate of Science in Health Information

Management; she obtained her bachelor's degree in Business Administration from the University of Phoenix in summer 2006. Daphne is a member of the American Health Information Management Association and is a registered health information technologist.

Daphne and her husband own Major Tire and Hitch, Inc., and on the weekends, Daphne assists her husband with their business's accounting. Daphne and her husband have two children, a son and daughter. When she has a moment of free time, she enjoys reading, crocheting, knitting, and sewing.
