Emma Goddard

Emma was born in Tremonton, Utah. After graduating from Bear River High School she attended college for nursing. Emma worked as a nurse for over 45 years. The first 35 years of her career she lived in Oroville, California. During those busy years as a nurse Emma managed to raise 6 beautiful children. She also found time for her many hobbies, which include: photography, china painting, lace drape doll making and oil painting. Emma has also been blessed with 12 grandchildren who keep her quite busy. This talented girl has also water-skied, been a tennis champ, loves ballroom dancing and plays the organ. She had a pet "Linc", a golden lab for many years. Emma also enjoys classical music as well as Lawrence Welk. Emma's passion however is china painting; and as soon as possible she intends to join a Painting Club here in the valley.

George Johnson

George was born in Minnesota and then raised in Chicago IL. He started college and then went into the service (Air Force). His first job in the Air Force was as a navigator. He then went to pilot school and started flying jets and loved every moment of it. He returned to college and received an MBA. He continued with his career in the Air Force for thirty five years. He also has a degree in Civil engineering from George Washington University. His world experiences on where he flew and what he did could easily fill up a large book. In short if it had wings George flew it. He also has four children three girls and one boy and lost his wife of many years some time back. George plays bridge, reads mystery novels and enjoys a great cigar.

Gussie Blanc
